Steel Counter Balance Floor Crane 500 Lb. Capacity Blue

MODEL CBFC-500

Overhead Lifting / Counter Balanced Floor Cranes

PRODUCT OVERVIEW

This Counter Balanced floor crane has an adjustable boom to allow for maximum adjustment and versatility to lift a variety of loads. Boom is raised with a manual hydraulic hand pump. Boom also telescopes out for greater reach. The counterbalance design eliminates the need for front legs. This makes the unit easier to maneuver and allows the crane to reach tight, hard to reach areas. Counterbalance included. Welded steel construction.

KEY FEATURES

- Unique design allows access to hard to reach areas
- Counterbalance weights eliminate the need for legs
- Telescoping boom allows for greater reach when needed
- Solid steel construction provides a long lasting rugged use
