Steel Mesh D-150 Series Side Extensions 64-15/16 In. x 43-1/8 In. x 15-11/16 In. Yellow

MODEL D-150-EXT-SMY

Fork Truck Attachments / D Style - Self-Dumping Steel Hoppers with Bumper Release

PRODUCT OVERVIEW

The D style hopper front extensions are great addition for material handling and construction facilities. An added height design provides the standard “D” style hopper with added room to handle materials. The extended fronts are constructed of steel mesh for high strength durability during transference of goods, while the yellow painted finish delivers greater visibility to the overflowing items.

KEY FEATURES

- Mesh construction for full visibility of wares
- Bright finish to promote awareness
- Extends height of hopper
- Diminishes chance of overflowing products
