

Aluminum Foldaway Wheelchair Ramp 120 In. Length With 4 In. Lip 550 Lb. Capacity Silver

MODEL D-FAR-120

Loading Dock Equipment / Wheel Chair Ramps

PRODUCT OVERVIEW

The Wheelchair ramp allows buildings to be accessible to disabled persons, which is required by the American with disabilities act. Failure to comply may result in monetary damages and civil penalties. According to the ADA rules and regulations, for every inch of rise you must have a foot of ramp in length. The fold-A-way ramp is easy open, one person storage and handling. Slip-resistant surface provides extra traction. Each ramp comes with 2 handles for easy positioning.

KEY FEATURES

- Allows buildings to be accessible to disabled persons
- Slip-resistant top surface provides positive traction
- Each ramp comes with 2 handles for easy positioning
- Specially designed to meet ADA regulations
