

# Steel Double-Sided Cantilever Upright 12 In. Usable Arms 10 Ft. High 26500 Lb. Capacity Blue

**MODEL DAC-1012**

Storage Solutions / Structural Cantilever Racking

## PRODUCT OVERVIEW

Structural Cantilever racking offers flexibility to custom-fit individual applications. The unique bolt together construction with welded steel components offers a great combination of strength and durability. Individual components are sold separately to accommodate your requirements. Arms attach to this double-sided upright with "C" clamps that are infinitely adjustable.
