Steel Mobile Drum Dolly with Handle 30-7/8 In. x 30-7/8 In. x 6-1/4 In. 1000 Lb. Capacity Silver

MODEL DRUM-DRH-HR

Drum Handling Equipment / Mobile Drum Dollies

PRODUCT OVERVIEW

The drum dolly is ideal for manufacturing and industrial facilities. The dolly creates an ergonomically friendly way of transporting 55 gallon drums. The steel construction design, with an additional handle, is lightweight yet strong for use in the harshest of environments. While the unit rolls on hard rubber casters for a smooth transition from work station to work station.

KEY FEATURES

- Drum dolly creates an ergonomic way of transporting 55-gallon drums for ideal operation
- Includes a handle that is lightweight and strong for maximum efficiency
- Features durable construction for added strength and long life
- Use in industrial applications for optimal results
