Steel Drum Stick Handle and Bung Wrench 4-7/16 In. x 18-3/4 In. x 4-5/8 In. Yellow

MODEL DRUM-STIK

Drum Handling Equipment / Drum Stick

PRODUCT OVERVIEW

Moving greasy and grimy drums is a messy job. Workplaces are consistently ruining pair after pair of gloves because of filthy drums. But, now, thanks to the Drum-Stik the gloves can stay on the shelf! The Drum-Stik is easily secured to the top ring of steel, plastic or fiber drums. Once in place the dual handle feature gives the user complete control over the movement of the drum, from steering while on a dolly, to manual maneuvering, all while your hands are off the drum itself! Compatible with open and closed head drums.

KEY FEATURES

- Rubber hand grips for comfortable use
- Durable powder coated steel body
- Built-in multipurpose bung plug tool
- For use with 30 and 55 gallon drums
