

Rubber Bumper Attachment 19 In.

MODEL E-TUG-HD-RPB-19

Industrial Carts & Dollies / Electric Powered Tuggers

PRODUCT OVERVIEW

The rubber bumper attachment completely transforms the capabilities of the electric powered tugger. With the use of a rubber bumper, the unit can then be regularly converted between tugger and pusher depending on the workplace. The bolt-on design makes removal or installation simple and efficient. While the panel pattern style provides the impact resistance necessary when pushing heavy, large items.

KEY FEATURES

- Extended mounting plate
- Wide rectangular design
- Pre-drilled mounting holes
- Installation hardware included
