Steel Skid Steer Hopper 4,000 Lb. Capacity Black

MODEL EA-SKHH-200

Facilities Maintenance / Skid Steer Hopper

PRODUCT OVERVIEW

A skid steer hopper is a durable addition to landscaping and construction areas. With a universal attachment, the hopper can be secured directly to a variety of skid steers. Built in fork pockets can also be utilized to move the hopper without the use of a skid steer. A low profile front end provides needed space to load and unloaded the hopper. The three remaining sides have a standard height while maintaining a large volume capacity.

KEY FEATURES

- 4000 lb. capacity
- 2 Cubic yard capacity
- Powder coat black finish
- Universal mounting system
