Steel/Polyurethane Ergonomic Sitting Work Stool 19 In. to 27 In. Height Black

MODEL ESE-WS-1927

Ergonomic Solutions / Ergonomic Work Chair and Stool

PRODUCT OVERVIEW

An Ergonomic work stool fits perfectly into a variety of workplace settings. With a steel construction, the stool is comfortable and durable and easy to clean. The height adjustment feature gives the user the ability to lower or raise the stool to the perfect position. Plastic casters are included for quick movement in the work area. Foot pads and hardware also included, assembly required.

KEY FEATURES

- Polyurethane seat material
- Swivel casters provide swift movement
- Ergonomic design
- Open style allows seating from all sides
