Polyethylene Fork Blade Protectors 4 In. x 36 In. Yellow

MODEL F4-36

Fork Truck Attachments / Polyethylene Fork Blade Protectors

PRODUCT OVERVIEW

The fork blade protectors are a great addition to the fork truck forks used in a variety of facilities. The unit is designed of a polyethylene construction for lightweight transference from workstation to workstation. The bright color enhances visibility for the user as well as other personnel in the work area. A simple installation onto the fork can have the protector in place and ready for immediate use.

KEY FEATURES

- Bright yellow finish for high discernibility
- The protectors guard against unwanted fork damage
- Quick fitting and easily removable for instantaneous use
- Manageable weight for simple immovability
