Steel Folding Arm Chair 18 In. x 20-1/2 In. x 28 In. 220 Lb. Capacity Black

MODEL FAC-260

Ergonomic Solutions / Folding Arm Chair

PRODUCT OVERVIEW

The folding arm chair is perfect for on the go or at the workplace. The unique folding design feature offers assistance while transitioning from a sitting to standing position. To fold, simply push the front of the seat up and back, while the unit collapses onto itself. The vinyl cushioning provides comfort and the plastic caps on the steel legs protect against floor damage.

KEY FEATURES

- Ideal for a variety of industrial environments
- Lightweight steel construction with a powder coat finish
- Integral arm support system
- Self-standing when folded
