

Polyurethane Floating Dock System Connector Nut 2 In. x 2 In. x 2 In. Tan

MODEL FDS-CN-TAN

Industrial Carts & Dollies / Floating Dock System

PRODUCT OVERVIEW

A connector nut establishes a confident pin and block position. With the pin and block in place, the connector nut is then used to make a secure position more that limits jostling and extra movement.

KEY FEATURES

- Polyurethane construction
- Colored design for visibility
- Lightweight design
- Secure interlocking connection
