

Steel Fork Extensions 4 In. x 60 In. 4000 Lb. Capacity Yellow

MODEL FE-4-60

Fork Truck Attachments / Loop-Style Fork Extensions

PRODUCT OVERVIEW

Provide the extra support needed to lift long or large objects with a fork truck using a pair of fork extensions. Steel retaining strap prevents fork extensions from sliding off forks during use. OSHA regulations require that extensions are no more than one-hundred and fifty (150) percent of the existing fork length. Insert loop at the tip of the fork and slide it up at a forty-five (45) degree angle. Then, lay it down over the existing fork. To be used with class 2 and class 3 forks only.

KEY FEATURES

- Provides the needed extra length when standard forks can't reach product
- All steel construction provides long lasting reliable use
- Each extension includes warning and operating stickers for worker safety
- Powder coat safety yellow finish offers lasting durability
