

Steel Fabrication Fixture Table Top 48 In. x 60 In. Unpainted

MODEL FFT-4860

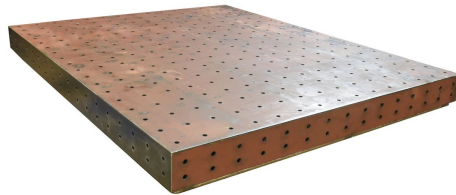

Facilities Maintenance / Fabrication Fixture Table Top

PRODUCT OVERVIEW

A flat welding table top is a worthwhile addition to manufacturing and industrial facilities. This welding top comes unpainted for grounding purposes during operation. With a steel construction the unit is strong and robust for consistent daily use. Holes are separated at 4" intervals for full table top use.

KEY FEATURES

- Flat design for use on a variety of tables
- Consistent hole separation for multiple accessories
- Resilient design for long term use
- Accommodating items large and small
