

Steel Divider Section 36 In. Length For Flow Rack Models Blue

MODEL FLO-3-DIVD

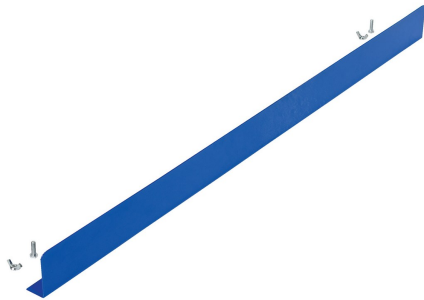

Storage Solutions / Carton Flow Racks

PRODUCT OVERVIEW

The extra dividing section is a great addition to the carton flow rack. The dividing section allows the unit to have more surface area for stocking and moving items. The design allows for a simple attachment to the initial rack construction.

KEY FEATURES

- Bright finish for visibility
- Steel construction for strength
- Simple attachment for immediate use
- Lightweight for portability
