Aluminum Portable Work Area Gantry Crane 47-3/4"L x 144"W x 93-13/16"H 2,000 Lb. Capacity Silver

MODEL FPG-A-20-12

Overhead Lifting / Aluminum Work Area Portable Gantry Cranes

PRODUCT OVERVIEW

Built to dependably make the workplace a safer environment, this gantry crane minimizes the manual handling needed for large, oversized material. The unchangeable height and width dimensions of the unit, provides a level of consistency needed when contending with heavy objects. With a portable design, the crane can simply be wheeled to a new location without the need for the unit to be deconstructed. This crane is not to be moved when loaded.

KEY FEATURES

- Non-adjustable, fixed height design
- Rust resistant aluminum construction
- 5" poly on steel casters
- To be used on flat surfaces only
