Steel Linear Actuated Post Table 16 In. x 16 In. 200 Lb. Capacity Blue / Silver

MODEL HT-02-1616-LA

Ergonomic Solutions / Linear Actuated Post Table

PRODUCT OVERVIEW

The linear actuated post-table is a great asset in manufacturing and industrial settings. The table raises and lowers for exact positioning when needed most. The linear actuator allows the unit to stay level for from start to finish. The hand held pendant with emergency stop control, allows user to control the table a small distance away while maintaining the proper work position. Linear actuator table features an on-board battery charger for continual use and casters for smooth transporting for site to site. An emergency stop button is standard on the hand control.

KEY FEATURES

- Powered with an lithium battery
- Hand held pendant control with a six foot coil cord
- Flat table top surface, accessible from three sides
- 2 rigid and 2 swivel, phenolic casters
