

Steel Hydra Lift Cart 20 In. x 16-3/16 In. 750 Lb. Capacity Blue

MODEL HYDRA-2

Ergonomic Solutions / Hydra Carts

PRODUCT OVERVIEW

The hydra cart transports loads in the lowered position and maneuver work materials to an ergonomic height, which is ideal in compact work areas. It's safe and easy for one person handling of loads and an efficient way to unload heavy objects from semi-trailers. The rugged steel construction allows for many years of service. The dependable precision built hydraulic system is activated by an easy action foot lever. The additional rollers on the handle make loading into a delivery truck easy. A single wheel brake comes standard.

KEY FEATURES

- Ideal in compact work areas and for many years of service
- Efficient way to unload heavy objects for one person handling
- Precision built hydraulic system is activated by an easy action foot lever
- Additional rollers on handle make loading into a truck easy
