Steel Carriage Mount Bulk Bag Lifter 1k Capacity Blue

MODEL LLM-BBL-CM-1000

Fork Truck Attachments / Bulk Bag Lifters

PRODUCT OVERVIEW

The bulk bag lifter is a consistent addition to any industrial and manufacturing setting. The carriage mount design provides product and lifting stability throughout the process. The lifter is adjustable and is capable of being extended to different heights. With multiple intervals, the distance that is most appropriate can be chosen to fit the application. After choosing the best lifting height, the bag is secured in place by the included lifting hook.

KEY FEATURES

- 1,000 lbs. capacity when collapsed, 500 lbs. capacity when fully extended
- Class II carriage mount
- Multiple lifting height positions
- Hardware included
