

Galvanized Medium Duty Double Sided Cantilever Rack Set 36 In. Arms 16,400 Lb. Capacity Silver

MODEL MDU-C-6-36-G-SET

Storage Solutions / Galvanized Cantilever Rack Kits

PRODUCT OVERVIEW

The Galvanized Cantilever rack systems are ideal for distributing and industrial settings. The galvanized steel design minimizes rust while providing a strong construction. The adjustable rack arms can be adapted to a customized position allowing the unit to fit the needs of individual circumstances.

KEY FEATURES

- Adaptable to space constrictions
- Provides extra floor space
- Organize material in vertical position
- Durable design throughout daily use
