

Steel Medium Duty Cantilever 10 Degree Incline Arm 18 In. 750 Lb. Capacity Orange

MODEL MIA-C-18

Storage Solutions / Medium-Duty Cantilever Racking

PRODUCT OVERVIEW

The Medium Duty Cantilever rack is ideal for manual loading; open design allows easy forklift accessibility. Store bar stock, pipe, tubing, lumber, and other light hard-to-stock items that must be kept off the floor. These incline arms are adjustable up and down the full length of the upright. To adjust, align arms with pre-drilled slots and secure with key lock (included). All arms feature lips to prevent product from falling off. Uprights and arms are sold each, not in pairs. Custom rack systems can be designed for your special application.

KEY FEATURES

- Ideal for manual loading; open design allows easy forklift accessibility
- Arms are adjustable up and down the full length of the upright for optimal storage
- Features lips to prevent product from falling off
