Hydraulic Steel Multi Purpose Lifting Attachment For Skid Loader 96 In. x 46 In. x 35 In. 2500 Lb. Capacity Black

MODEL MPLA-HYD-50-2500

Facilities Maintenance / Hydraulic Skid Steer Boom

PRODUCT OVERVIEW

This hydraulic skid steer boom attachment transforms your skid steer into a fast acting workhorse. Its rugged design allows for seamless lifting, maneuvering, and lowering, all while maintaining user control. Length is adjustable to fit each situation and each user's specific needs. Includes pre-drilled hitch mounts for use with a ball or clevis (both sold separately). Smooth finish over a steel construction minimizes abrasion and general wear and tear during use. Auxiliary connections are required for use.

KEY FEATURES

- Hydraulic powered
- Telescoping boom
- Universal mounting plates
- Designed for rapid attachment and removal
