Steel Full Featured Pallet Truck 58 In. x 22-3/4 In. x 48 In. 10000 Lb. Capacity Yellow

MODEL PM10-2245

Ergonomic Solutions / Full Featured Pallet Trucks

PRODUCT OVERVIEW

The full featured pallet truck is an economical way for one person to move heavy pallet loads without the use of a fork truck! Includes two (2) articulating steering wheels and two (2) front load rollers. The ergonomic design requires only seventy-five (75) pounds of pulling force when fully loaded. Steering wheels include bearing dust covers for added life. Nose wheels are located on the front edge of each fork to assist in clean pallet entrance and exit. Reinforced triple-formed steel forks provide twice the strength of standard single-formed forks. This pallet truck is equipped with internally mounted solid steel adjustable push rods. The spring loaded handle automatically returns to vertical position when not in use. Hydraulic pump design faci...
