Speed Hump Glue Down Kit For RSH-120 Models

MODEL RSH-GD-24

Facilities Maintenance / Rubber Speed Humps

PRODUCT OVERVIEW

The anchor kits are a great addition to the facility maintenance department. The kit supplies a solution to securing speed bumps to a surface. The unit is designed of a strong construction that is resilient and long lasting throughout the harshest environments. Once the anchoring is in place, the speed bumps are ready for use.

KEY FEATURES

- Design allows for simple installation
- Works well in variety of surfaces
- Compact design for simple storage upon use
- Glue down model gives user a strong base
