Steel Auto Hite Cart 50-3/4 In. x 48 In. x 37-5/8 In. 2,000 Lb. Capacity Blue

MODEL SCSC-2000-4848

Ergonomic Solutions / Auto-Hite Carts

PRODUCT OVERVIEW

The auto-Hite cart raises and lowers as materials are removed or added to the platform, keeping material at an ergonomic work height. It increases efficiency while reducing potentially harmful bending and twisting motions. Carts utilize tension springs which can be adjusted in order to fit each particular application. The unit has an all steel construction with a removable handle and rolls smoothly on polyurethane casters, two (2) rigid, and two (2) swivel with brake.

KEY FEATURES

- Platform automatically moves down as weight is added and up as weight is removed for correct ergonomic heights
- Simple adjustable spring tension is variable for use with different types of loads
- Removable handle allows for simple loading and loading
- Increases efficiency while reducing potentially harmful bending and twisting motions

CORE PRODUCT DATA
