Steel Machinery Skates 4 Nylon Rollers 3 Ton Static Capacity Blue

MODEL SSKT-3

Industrial Carts & Dollies / Machinery Skates

PRODUCT OVERVIEW

This machinery skate is designed to move heavy equipment and machinery. Nylon wheels are strong and will not mark floors. The top of each skate includes a rubber surface for extra grip. Steel construction with handle to carry and position. With the steerable skate model each dolly includes a swivel top plate and a pulling bar to allow for easy maneuvering around turns and corners.
