

Steel Truck Dual Handles with Floor Brake 39-7/8 In. x 24-1/2 In. x 34-1/8 In. 660 Lb. Capacity Blue

MODEL TRS-2429-DH-FB

Industrial Carts & Dollies / Low Noise Steel Platform Trucks

PRODUCT OVERVIEW

The steel platform cart is a great addition to the shipping and distributing facilities. The steel platform creates a durable, yet lightweight construction that can be transferred simply from workstation to workstation. The unit rolls on casters for smooth transference over a variety of terrains. The double handled design creates a more ergonomic posture of personnel during use, while the brake keeps the unit steady when not in progress.

KEY FEATURES

- Steel construction for durability
- Foot brake for steadiness during loading and unloading
- Casters for smooth rolling
- Attached handles create a more ergonomic posture
