# Steel Pipe Safety Railing with Welded Baseplate 7 Ft. Length Yellow

**MODEL VDKR-7-BP-YL**

Protective Barriers / Steel Safety Railings w/ Welded Baseplate

## PRODUCT OVERVIEW

The pipe safety railing adds protection to pathways and dock areas. The base plate not only allows for a quick installation but also gives the steadiness and strength that is needed from a safety railing. With this mounting style the unit can be permanently installed or moved between locations. The upper and lower design gives the user stability and protection against potential falls. Powder-coated yellow finish.

## KEY FEATURES

- Two pre-drilled mounting holes
- Two horizontal rail design
- Welded base plate
- Round handrail shape
