

Steel Turning Bar Handle For Use with VHMS-8, 15, and 30 Orange

MODEL VHMH-TB-2

Industrial Carts & Dollies / Steel Machine Rollers & Accessories

PRODUCT OVERVIEW

Steel machine roller steering bar handle is a great accessory to the machine rollers. Highly visible with a smooth finish for perfect handling. Thin design for better storage when not in use.

KEY FEATURES

- Steering bar provides maximum maneuverability
- Large length for better ergonomic posture while transferring
- High-strength annealed ductile iron provides a tough long lasting unit
- Unit construction is virtually maintenance free
