Galvanized Steel Double Fold Scissor Gate 10 Ft. x 6-1/2 Ft. Gray

MODEL VPFG-1065

Protective Barriers / Galvanized Folding Gates

PRODUCT OVERVIEW

Secure outside access during the day and add security at night with a heavy-duty Galvanized folding gate. Center drop pin rests in pre-drilled hole to secure gate when extended. Easy installation! Lock is located on right side on single gates. Galvanized for durability. Assembly hardware, "L" mounting brackets and center drop pin included.

KEY FEATURES

- 2" casters enable quick gate extension and retraction
- Steel wheels allow operator to quickly and fully retract gate when not in use
- Galvanized steel finish for indoor and outdoor use
- Aircraft quality rivets and heavy-duty vertical angles hold unit together
