Aluminum Valusweep Series Magnet 48 In. Wide Red

MODEL VSWP-48-MG

Fork Truck Attachments / Fork Truck Mounted Brush Sweepers

PRODUCT OVERVIEW

The sweeper magnets are a great asset to manufacturing and construction facilities. The wide durable construction enables the user to collect material in fewer passes. For best use, attach the magnet to the front of the existing broom and fasten to the forklift. Once in place, while traversing the desired area the magnet will detect metal items before they get caught in the bristles of the broom.

KEY FEATURES

- Easily picks up metal fragments
- Robust construction for durability
- Simple attachment for immediate use
- Lightweight for manual maneuvering and storage placement
