Steel Stacker with Adjustable Forks/Legs Manual Hand Winch 770 Lb. Capacity Black / Yellow

MODEL VWS-770-AA

Ergonomic Solutions / Manual & Electric Stackers

PRODUCT OVERVIEW

The manual stacker is designed to meet the most challenging tasks. Ideal for use in various workstation and workplace applications. Maintenance free and easy to use. The full height push handle allows for easy steering and excellent visibility through a welded mesh guard with an optional removable platform available. The hand winch stacker features a heavy-duty mast and a unique winch design for easier and safer lifting. The lift and lower is done by hand winch and a steel cable mechanism. The two (2) rigid and two (2) swivel wheels with brakes make it easy for maneuvering. The unit features both adjustable forks and adjustable legs.

KEY FEATURES

- Manual stacker is maintenance free and easy to use
- Includes a heavy-duty mast and a winch design for easier and safer lifting
- The lift and lower is a steel cable mechanism for simple use
- Features adjustable forks and legs more than one application
