

# Steel Yard Ramp Mechanical Dock Leveler 73 In. x 36 Ft. 30,000 lb. Capacity Earth Tone Brown

**MODEL YRD-30-7336-M**

Loading Dock Equipment / Steel Yard Ramps

## PRODUCT OVERVIEW

The portable steel Yard Ramp quickly loads and unloads trucks, trailers and rail cars from ground level when no freight dock exists. Increase productivity while reducing material handling costs. Great for construction sites. A manual hand crank design for easy one (1) person height adjustment. The standard features include: positive traction surface design, safety locking chains, rubber bumpers and fork positioning loop. Steel wheels included for quick maneuvering and portability of unit. Painted neutral earth-tone brown.

## KEY FEATURES

- Steel side curbs prevent fork truck run-off
- Overlap style lip with safety chains secures ramp to trailer
- Open grating design allows snow, ice and rain to fall through
- Included a mechanical leveler for a perfect transition
